CODE SECTION: IBC 1006.3

TOPIC: To establish policy for 235 inspections on multi-family

PURPOSE/REASON: If egress lighting is required by code a 235 inspection will be required to check circuitry. There is no exception for R-2 occupancies.

INTERPRETATION: A 235 inspection code shall be implemented with multi-family inspections. A 235 inspection shall be required whenever egress lighting is required.

Each site of multi-family building types shall have an illumination test. Buildings of the same type with the same exact fixtures and fixture locations are not required to be retested. A City of Las Vegas Stairway Illumination form for Apartment/Condominiums shall be provided to the City of Las Vegas inspector at the building final inspection.
